Here are some examples of fun facts & scavenger items:

Restaurant: You don't have to travel all the way to Jalisco to enjoy this authentic cuisine! This restaurant located at 101 W. Santa Fe, is also a popular spot for Sunday Brunch with live music. How many musical instruments are colorfully depicted in the murals?

Retail: Everything at 173 W. Santa Fe Ave. is Made in Mexico! From brightly colored sarapes to hand painted pottery and Día De Muertos Candy Skulls this store is a celebration of art and culture. With so much to look at, can you see yourself next to La Calavera Catrina?

Salon/Service: With more than 3,000 colors to choose from, this salon at 1160 E. Imperial Hwy, has something for everyone's taste! This sassy stylists' first priority is health, that's why they use this brand of dipping powder. What brand do they use?
